

## Residential Installation Warranty

Homeowner: \_\_\_\_\_

Date of Install: \_\_\_\_\_

Address: \_\_\_\_\_

Sprinkler Guys, Inc. warrants to the above named homeowner that your *Irridator<sup>sm</sup>* irrigation system is free of defects in material and workmanship for a period of **one (1) year** from the install date listed above and against freeze-damage for as long as you own the system.

This warranty **includes** the following:

1. The repair or replacement, at our option, of any part found to be defective, including any related labor costs.
2. The repair or replacement, at our option, of any issues found to be the result of negligent workmanship during the installation, including any related labor costs.
3. The repair or replacement, at our option, of any parts damaged by freezing, **providing** that all Sprinkler Guys issued winterization directions were properly followed prior to temperatures falling below freezing.

This warranty **does not include** the following:

1. Adjustments to the system, including head adjustments and controller programming changes, beyond 14 days from the date listed above.
2. Any Acts of God (IE lighting, flooding, hail damage, etc.)
3. Products not installed by Sprinkler Guys, Inc.
4. Damage caused by others (IE Snow removal, vandalism, driving over irrigated areas, etc.)
5. Any indirect, incidental or consequential damages in connection with the use of equipment, including but not limited to; vegetation loss, the cost of substitute equipment or services required during periods of malfunction or resulting non-use.

The following acts/conditions will **void** this warranty:

1. If any entity other than Sprinkler Guys, Inc. performs repairs or maintenance to the system.
2. Not following the *Irridator<sup>sm</sup>* winterization instructions properly or if the system is not winterized prior to temperatures falling below freezing.
3. If a Fertigation system is installed, the use of any non-approved product (IE anything other than approved Liquid Life products) in the Fertigation system will void the warranty for it as well as the entire irrigation system. (For a list of approved products please contact Sprinkler Guys, Inc.)
4. If water pressure to the system is less than 45 or greater than 75 pounds per square inch of water pressure.

This warranty is non-transferrable .
